

Making an IMPACT for the Kingdom!

If you read the insert in our newsletter this month you will have seen the IMPACT Genesis has made in this community! As we continue to develop leaders through Moody Bible Institute, the impact will not only reach our community and the world, but His Kingdom as well. We can only make this claim because people like you have stepped up to partner with us to care for others!

One of our primary goals is to increase our monthly donor base. By having people commit to regular giving, we are able to more accurately budget for our year.

I invite you to prayerfully consider a monthly commitment to this ministry.

Remember that our Evening of Stories is coming up on October 13, 2016. This is our annual fundraising event. Even though this event is not until this fall, we can use your help now. We are actively seeking individuals and/or businesses in the community that would be willing to help Sponsor this event. Our goal is to have the event completely paid for, prior to that evening, so that 100% of everything that is donated on the night of the event will go directly towards the support of our ministry.

If you are interested in becoming a sponsor, please contact me at 509.710.8182 or email to linda@genesisinstitute.org.

I personally want to thank you for giving of your time, talent and treasure-

You need to know you are making a Difference!
