

Being Faithful

Have you ever really thought about what it means to be Faithful?

We've probably all heard Psalm 100:5, "For the Lord is good; his steadfast love endures forever, and his **faithfulness** to all generations." This tells us how God is faithful to us. But what about our faithfulness to each other? Most of us think of being faithful in our relationships, but what about faithfulness in other areas of our lives?

According to *Wikipedia*, **Faithfulness** is "the concept of unfailingly remaining loyal to someone or something and putting that loyalty into consistent practice, regardless of extenuating circumstances." What a great thought!

There are many of you that have that have pledged your faithfulness in giving to Genesis on a regular basis. Our prayer is that you are as blessed by this faithful giving as we are by your gifts. We have experienced this last month, not just God's faithfulness in meeting our needs, but your faithfulness in listening to His prompting.

We still have more to go to reach our goals—for both the roof replacement and the Evening of Stories—but we are faithful that the money will come in because we have faith in God and you!

Thanks for your Faithfulness!
