

# God Is So Good!

Our new roof is finished and just in time for the first rainfall in over 80 days!

Thank you so much to the crew at Premier Roofing for being such great guys to work with.

It took a little longer than anticipated because of some additional water damage underneath, but the timing couldn't have been better.

Thank you to everyone who donated to cover the cost of this major repair. We were able to pay for the entire roof because of your generous gifts!
