

Countdown to Evening of Stories

It's hard to believe that we are less than three weeks away from our big event—Evening of Stories 2017! We have been working very hard to get the word out to everyone so we can fill the ballroom!

We have over 400 people registered so far and have seats reserved for at least 50 more from our table hosts. We still have some room left for you if you haven't yet registered.

Please go to our website at www.genesisinstitute.org/eos for more information and to register for this event. We will be sending out reminder emails to those registered, so if you don't get an email, please check with us to make sure you are on the list. We don't want you to miss out!
