

Together We Have Impact

As we come to the end of 2017, we give thanks to all of you who stand in faith with us, watching God's hand of favor and blessing over this ministry. You all are making this happen.

As this year ends and you ponder where God wants you to invest your treasure, please consider **helping others** in this community in need of financial assistance to get biblical counseling and classes. Help us as we strive to build better families and leaders.

I am excited to invite you to join a make-a-difference community of monthly funders called the "GEM" Club. Sign up now and have a **consistent impact**.

We live in a wounded, hurting world that **needs action** today. Pray and consider what your part would look like. So much joy comes from giving!

May God continue to richly bless you for your generosity and loving others well!

'TIS THE
Season
OF **Giving**
