

"The Lord has done great things for us, and we are filled with joy" Psalms 126:3

Happy New Year to all of you! Thank You for your generous giving in 2015!

God is calling us to partner with Him in reaching deeper into our community, our region and our world. He has done amazing things this last year through the people and ministry here at Genesis Institute. Besides achieving our goals for our Evening of Stories event, we have had a very generous offer from a local business to help us make our goal of online classes a reality! We should have our new website up and running in the next 30-60 days as well.

Let me encourage you to keep on believing God when it comes to your finances. When we put God first in our finances we are also inviting Him to bless them. By doing this we are joining a mission far bigger than ourselves. God is faithful to make every blessing abound in our lives.

A huge "thank you" to all of you who not only give of your treasure, but also your time and talents. May God bless you more than you or I could ever dream!

Looking forward to 2016!

With Love and Appreciation for you and for what God is doing,

*Linda*
