

Thank You!

July 2018

THANK YOU.... FOR BEING YOU...**YOU ARE OUR HEROES!!**

Why do you donate to Genesis? Why do you take ACTION --through your time, talent and treasure? Is it because:

...You care about a community of many wounded, hurting people?

...You want to support those in need of financial help through our sliding scale?

...You want to see the Genesis Ministry continue to help train leaders of tomorrow?

...You want someone to receive a scholarship to attend a class or counseling?

...You want to SPONSOR OUR EVENING OF STORIES EVENT so that all gifts received that night go 100% - directly to help this ministry?

Whatever your reason, we are grateful for your continued support. Genesis needs you now, more than ever. We would love for you to come to our Evening of Stories event October 25, 2018 to learn more about how your support can make a difference. Please contact me (509.710.8182 or linda@genesisinstitute.org) if you are interested in sponsoring our event.

THANKS FOR BEING ON OUR TEAM! WE ARE GRATEFUL FOR ALL OF YOU!

Linda

Ways to GIVE

Please continue to pray for the needs of Genesis. We are trying to keep the needs in front of you on our 'Ways to Help' webpage. We want to thank all of you who have already helped so much by answering so many of our requests already! It is so encouraging to all of us to know that when we boldly ask—God answers! Here are a few other ways that we could still use your help with:

- ◆ **We have two laptops that have decided not to work for us anymore.** If figuring out what's wrong with a computer and/or rebuilding them is something you love to do and you have the necessary skills, they are available. If you get them working and would like to give them back, that would be even better!
- ◆ For our Evening of Stories event, **we need to create a few short video presentations for the program.** If you or someone you know has this type of expertise, please contact our office. These video's would only need to be about 3 minutes long or less. We need someone to do the actual filming, then the editing as well.
