

# Highly Recommended!

July 2018

Very rarely in my life have I been given the privilege of sharing about a class and teacher that are a precious gift to my whole being!

Elaine Watts graciously led us on a life changing adventure for 13 weeks through the class, "The Wonder of Women." Each week was a personal invitation through developed curriculum, beautiful artwork, music and personal weekly challenges to surrender to the lifter of our heads and the love of our lives, Jesus.

Through her life experiences, stellar resources and the weaving of our personal stories, she fostered and nurtured an environment of trust and community.

In reality, her bedrock emphasis on the gospel is the only thing that will allow us to face struggles and failures with true peace. In the words of Timothy Keller, "Christians should be known to be calm and poised in the face of difficulty or failure. This may be the most telling way to judge if a person is drawing on the resources of the gospel in the development of personal character."

With that being said, I would highly recommend this class. Give it a go! Your life will be never be the same. Thank you Jesus for what you gave to each of us verses what we often times think we gave up for you. Your love changes everything Lord! Your invitation is clear, "Be still and know that I am God." My heart is filled with thanks and gratitude for the opportunity of journeying with Elaine and WOW.
