

Growing Wider...Growing Deeper

Growing Wider...Growing Deeper...this is our theme for this years Evening of Stories and for Genesis Institute as a whole. You may not know it, but this year is our 25th anniversary at Genesis! We want to invite you to join us and help celebrate what God has done over the last 25 years. So, SAVE THE DATE!

**Evening of Stories 2019
Thursday, October 3, 2019
Spokane Convention Center**

Our Keynote Speaker for this years event is Leslie Vernick. She is a Christian Counselor, Author, Speaker and Coach. She has written numerous books including *The Emotionally Destructive Relationship*, *The Emotionally Destructive Marriage* and *Lord, I Just Want To Be Happy*. **You can learn more about her on her website at www.leslievernick.com**

As part of our *Growing Wider*, we are adding to our counseling staff! We are so excited to have Tim Ledbetter join our team. If you didn't already read it, check out the front page for more information on Tim. Starting April 1st, Haley Hanson will also be joining us. We will tell you more about her in next month's newsletter.

In order for us to be *Growing Deeper*, we are working on expanding the *Soul Care 'Development'* arm of Genesis. This is the training class side of Genesis Institute. So, in order to give the attention needed to this goal, we have asked Elaine Watts to become our new Soul Care Development Director! She has graciously said yes and has hit the ground running. You can read more about what her plans are in the article below.
