

The Long Wait Is Over!

We have finally found a counselor and we are excited to add him to our family! Tim Ledbetter started with us a couple weeks ago. This is a huge answer to prayer for us. We have had a long waiting list for our counseling services for quite a few months now.

We are hoping that with bringing Tim on board, that a good portion of the waiting list will be taken care of. Unfortunately, it still takes some time to get him set up to take insurance, but we are working hard to get that done soon.

Thank you so much for your continued prayer and support for us in this search. We are anticipating that with a full counseling staff, we will not only be able to help more people, but it will significantly help answer our prayers of financial need as well.

Please join us in welcoming Tim!

Welcome To Our Team!

Our newest counselor comes to us from the world of pediatric counseling and education. Tim taught elementary school for thirty-seven years, retiring from the Cheney School District. He also worked in a counselling position at Southside Christian Church for five years and most recently a pediatric therapist for Stepping Stones Pediatric Therapy.

Tim is a licensed mental health counselor and is a board certified counselor through the National Board for Certified Counselors.

His passion in counseling is working with children, marriages, people who suffer from depression and anxiety and individuals needing tools to navigate through life.

Tim has been married for 37 year to his wife Donna and they have two children ages 26 and 31. The 26 year old has been married for two years. Tim likes to hike, camp with his family, and is slowly restoring an older home.
